

## Health & Wellness Center

During this pandemic, Dr. Velmina Rivera will be available via Telehealth from 8AM to 4PM, Monday through Friday for virtual visits or medical questions through the Zoom application (see below).

Please call Dr. Rivera at 856-651-8976 but download the Zoom application before you call the doctor.

Please continue good hand washing and do your part following the social distancing guidelines. Your health and your family's health depends on this. We wish you wellness during these uncertain times.

Again, please call **856-651-8976** for any medical questions or concerns.
